Old Republic Insurance Company has adopted NCCI's item filing B-1407, effective September 1, 2008. One of the changes made by this item was to replace reference to "Domestic Terrorism, Earthquakes, and Catastrophic Industrial Accidents (DTEC)" with "Catastrophe (other than Certified Acts of Terrorism)".

When DTEC was first introduced we filed Rule DTEC (11/04) stating that the DTEC charge will not apply if the countrywide standard premium for any account is \$1 million or more. Due to the above change, we have renamed the Rule "Catastrophe (other than Certified Acts of Terrorism)", CAT (09/08).

The Rule was originally filed because premiums for accounts of \$1 million or more in size (usually large deductible risks) are negotiated, and these exposures are already contemplated in the negotiations. Thus, applying the charge to these large deductible risks would be redundant.

Our rate will be the CAT rate times \$100.00 of payroll rounded up to the nearest whole dollar (.50 up to next whole dollar).

Example Total Payroll \$958,578.00

$9585.78 \times .02 = 191.716 = 192.00$ CAT charge

A filing fee of \$25.00 has been sent via EFT.

We request an effective date of September 1, 2008 which will apply to all new and renewal policies.
